OPINION

This litigation is now before the court on the recommendation of the United States Magistrate Judge entered on February 1, 2007, (Doc. # 5), that this case be dismissed without prejudice for the plaintiff's failure to pay the full filing fee upon the initiation of this case.

After a review of the recommendation, to which no timely objections have been filed, and after an independent review of the entire record, the court believes that the recommendation should be adopted.

An appropriate judgment will be entered.

Done this the 28th day of February, 2007.
